

Hybrid

GUIDEWIRES

UNIQUE OPTIONS FOR COMPLEX ANATOMIES

Durability and Visibility

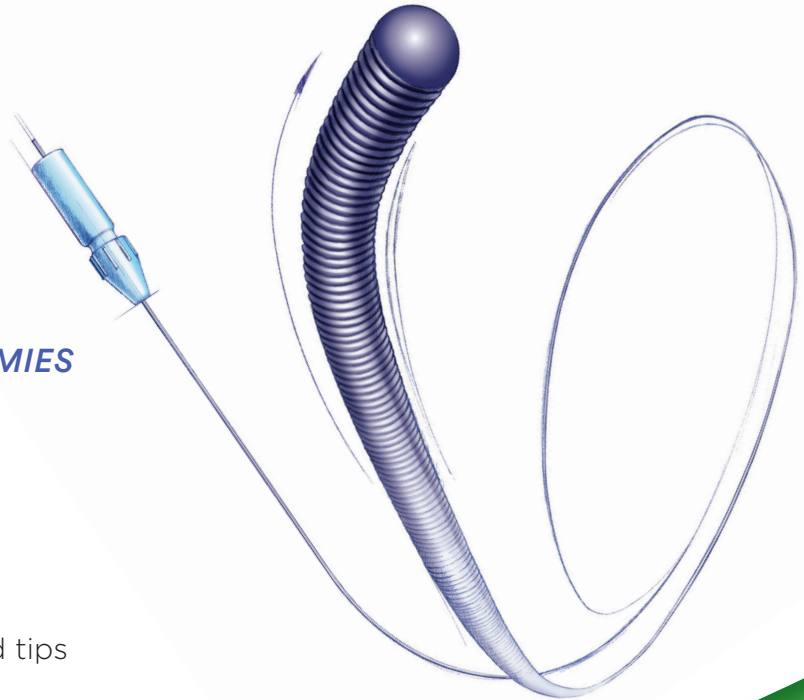

- Distal nitinol design maintains tip shape and enhances product durability
- Radiopaque distal tip ensures good visibility

Flexibility

- Available in straight or Double Angle shaped tips
- Broad options of ODs as small as .007"

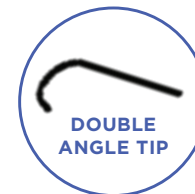

Optimized Navigation

- Distal nitinol tip designed for shapeability and atraumatic navigation
- Proximal stainless steel for pushability and torqueability
